

# NOTICE INVITING BIDS

Ref: 25-8848

The Leucadia Wastewater District (District) is requesting bids for one (1) F150 Lightning Pro Model Electric Truck (Truck) as specified in the enclosed Attachments.

The Truck will include all standard factory equipment and all optional equipment as specified. The bid should have a total price which includes vehicle base price, price of all additional items, tire tax, sales tax, registration fees, and delivery charges, if any. The Truck will be a 2024 or 2025 production model and will comply with all California laws, regulations and codes governing vehicle safety.

Sealed Bids shall be received by the District at the Leucadia Wastewater District, 1960 La Costa Avenue, Carlsbad, California, 92009 until 2:00 p.m. (local) on Monday, August 12, 2024 at which time they will be publicly opened and read. Late bids will be returned unopened. Please label the bottom left corner of the envelope with "District Truck Bid". Bids will be submitted on the bid forms provided and will indicate estimated delivery date for the Truck.

Bids shall be valid for ninety (90) days after the bid date. The District intends to award the purchase in August 2024. The purchase will be awarded to the lowest responsive and responsible bidder.

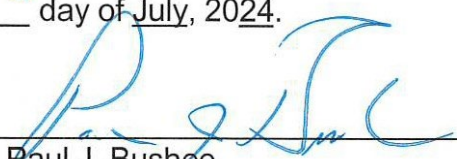

Vehicle registration forms will be completed and submitted to the California Department of Motor Vehicles by the selected dealer in the name of Leucadia Wastewater District. The Truck tag will be tax exempt and the registration forms will be completed accordingly.

All questions relative to this request for bid prior to the bid opening shall be directed to:

Mr. Marvin Gonzalez, Field Services Superintendent  
Leucadia Wastewater District  
1960 La Costa Avenue  
Carlsbad, CA 92009  
**(760) 753-0155 x 3017**

The District reserves the right to reject any or all bids, to waive any informality or irregularity in a bid, and to make awards in the interest of the District.

Dated at Carlsbad, California this 15<sup>th</sup> day of July, 2024.

By:   
Paul J. Bushee  
General Manager, Leucadia Wastewater District
