TO:

Board of Directors

FROM:

Paul J. Bushee, General Manager RG for PJB

SUBJECT:

Presentation and Awards - Achievement of Individual Award

It is my pleasure to announce that a Leucadia Wastewater District (LWD) staff member has met individual performance objectives under LWD's Incentive Program. The individual achievements are as follows:

<u>State Water Resources Control Board Water Treatment Operator Grade T1 – Angel Hinojosa</u>

Field Services Technician In-Training Angel Hinojosa recently received his Water Treatment Operator Grade T1 from the State Water Resources Control Board. Angel has been working for the District since November 2023 and this is his first certification since his employment at the District. Angel has worked hard on his own time for this achievement while maintaining his full time position at LWD. This accomplishment reflects Angel's desire to excel through continued professional development. As a result of this certification, Angel is eligible for an Individual Incentive Award of \$500.

<u>California Water Environment Association (CWEA) Collection System Maintenance Grade</u> 1 Certification – Angel Hinojosa

Field Services Technician In-Training Angel Hinojosa recently received his Grade 1 Collection System Maintenance certification from CWEA. This is his second certification since his employment at the District. Angel has worked hard on his own time for this achievement while maintaining his full time position at LWD. This accomplishment reflects Angel's desire to excel through continued professional development. As a result of this certification, Angel is eligible for an Individual Incentive Award of \$500.

Please join me in congratulating Angel for these outstanding accomplishments.

EWA and COMMITTEE REPORTS

12. Encina Wastewater Authority (EWA) Reports

A. EWA Board Report – Meeting held on June 26, 2024.

Vice President Saldana reported on EWA's June 26, 2024 Board meeting.

B. An Encina Member Agency Manager's (MAM) Meeting was held on July 2, 2024.

GM Bushee reported on EWA's July 2, 2024 MAM meeting.

13. Committee Reports

An Engineering Committee meeting was held July 1, 2024.

Director Omsted reported that the Engineering Committee (EC) reviewed the following recommendation:

 Authorize the General Manager to execute Task Order No. 8 to the Engineering Design Services Agreement with Water Works Engineers for final design services for the FY2025 Gravity Pipeline Rehabilitation Project in an amount not to exceed \$89,621. The EC concurred with staff to present this recommendation to the Board of Directors and it will be discussed later in the agenda.

The EC also received an update on the Batiquitos Pump Station Emergency Basin Lining Project.

ACTION ITEMS

14. Appropriation Carry Over to Fiscal Year 2025 (FY25) Capital Acquisition Budget Authorize the General Manager to carry over an appropriated budgeted amount of \$50,500 from the FY2024 Capital Acquisition Budget to the FY2025 Capital Acquisition Budget for the retrofitting of a new Traffic Control Truck.

FSS Gonzalez presented the item and provided background information noting that this is a tactical goal for FY2024. FSS Gonzalez stated that in FY2024, funds were allocated within the Capital Acquisition Budget for the procurement and retrofitting of a new Traffic Control Truck.

In September 2023, staff placed an order for the truck through National Auto Fleet Group, an authorized dealer under the Sourcewell Cooperative, with an anticipated delivery date in May 2024. However, due to supply chain shortages at General Motors Company, the original order was not fulfilled. In late April, LWD staff was informed that the truck order had not been processed by General Motors Company. Consequently, LWD's Field Services Staff took proactive measures to locate an alternative truck chassis. A Ford chassis was identified locally at Ken Grody Ford in Carlsbad. In May 2024, LWD purchased the Ford chassis and transported it to Plumbers Depot for customization. Subsequently, Plumbers Depot notified the District that the customization work would not be completed until early July 2024 (FY2025).

Vice President Saldana asked if the cost for retrofitting for the truck was increased due to the delay. FSS Gonzalez stated that the cost did not increase.

Director Pacilio asked if the District had the truck in their possession and when would the retrofit be completed. FSS Gonzalez answered that the District has the truck but it is currently being retrofitted and it should be completed in 2-3 weeks.

Following discussion, upon a motion duly made by Director Omsted, seconded by Vice President Saldana, and unanimously carried, the Board of Directors authorized the General Manager to carry over an appropriated budgeted amount of \$50,500 from the FY2024 Capital Acquisition Budget to the FY2025 Capital Acquisition Budget for the retrofitting of a new Traffic Control Truck by the following vote:

Director	Vote
President Roesink	Yes
Vice President Saldana	Yes
Director Omsted	Yes
Director Pacilio	Yes
Director Sullivan	Yes

15. FY 2025 Gravity Pipeline Rehabilitation Project

Authorize the General Manager to execute Task Order No. 8 to the Engineering Design Services Agreement with Water Works Engineers for final design services for the FY2025 Gravity Pipeline Rehabilitation Project in an amount not to exceed \$89,621.

PC Riffel presented the item and provided background information noting it is a FY2025 tactical goal. PC Riffel stated that the goal of the FY2025 Project is to repair defects that require open trench construction and he noted that the District has selected (3) sewer pipelines at (2) different locations that require repair. PC Riffel stated the first defect is located near the intersection of El Camino Real and Encinitas Boulevard, in a utility road behind Discount Tire, and the second and third defects are consecutive sewer pipelines that are located near the intersection of Piraeus Street and Olympus Street, on Piraeus Street. PC Riffel stated that the defective sewer pipelines have major sags which creates surcharging on the pipeline.

PC Riffel stated that Water Works has submitted a proposal to complete project final design up to the bid phase. He said the Engineer's Estimate is approximately \$703K and that Water Work's proposed fee is \$89,621 which includes geotechnical investigation and survey services. He noted that the sub-consultant services account for almost half of the design fee. PC Riffel continued that Staff believes the proposal is fair and reasonable.

Vice President Saldana asked if age was a factor in the sagging of the pipelines. GM Bushee stated that age is not always a factor and sagging can be caused by ground water or ground movement/settling. DE Wilson added that the sagging of these pipelines would be considered unexpected and the pipelines should have lasted another 50 years. He noted that sags are normally related to other things going on in the area.

Following discussion, upon a motion duly made by Director Sullivan, seconded by Director Pacilio, and unanimously carried, the Board of Directors authorized the General Manager to execute Task Order No. 8 to the Engineering Design Services Agreement with Water Works Engineers for final design services for the FY2025 Gravity Pipeline Rehabilitation Project in an amount not to exceed \$89,621 by the following vote:

Director	Vote
President Roesink	Yes
Vice President Saldana	Yes
Director Omsted	Yes
Director Pacilio	Yes
Director Sullivan	Yes

16. Receive and file the Fiscal Year 2024 (FY24) Tactics and Action Plan Report

ADS Hill presented the item stating that the District has accomplished 138 goals. She provided the highlights of the Plan, which included the following:

- No sewer spills for 4.5 years
- Updated Strategic Plan;
- · CCTV of sewer lines and FOG testing;
- · Board Recruitment of Director Pacilio;
- Retirements of two long term employees;
- · Recruitment of an Accounting Technician;
- FST III Hugo Gonzalez recognized as the Statewide CWEA Collection System Person of the Year;
- · San Marcos Creek Crossing Diversion Project; and
- Prop 218 Notice for a 3-Year Rate Increase;

Following discussion the Board of Directors received and filed the FY24 Tactics and Action Plan.

17. Adopt the Fiscal Year 2025 (FY25) Tactics and Action Plan

Upon a motion duly made by Director Pacilio, seconded by Director Sullivan, and unanimously carried, the Board of Directors adopted the FY25 Tactics and Action Plan by the following vote:

Director	Vote
President Roesink	Yes
Vice President Saldana	Yes
Director Omsted	Yes
Director Pacilio	Yes
Director Sullivan	Yes

18. CSDA Board of Directors 2024 Election - Seat A

EA Baity presented the item stating that CSDA is requesting its members to vote for a candidate for Seat A for the southern network region. The deadline for the receipt of ballots is July 26, 2024 and staff has no recommendation on this matter. EA Baity stated staff would cast the vote based on the Board's action.

Following discussion, upon a motion duly made by Director Sullivan, seconded by Director Omsted, and unanimously carried, the Board of Directors voted for Jason Dafform, Valley Sanitary District, for the CSDA Southern Network - Seat A by the following vote:

Director	Vote
President Roesink	Yes
Vice President Saldana	Yes
Director Omsted	Yes
Director Pacilio	Yes
Director Sullivan	Yes

19. CASA Election of Officers Fiscal Year 2024/2025 and Approval of Dues Resolution for Calendar Year 2025.

EA Baity noted there are two business items that will be addressed during the CASA Annual Conference in late July/early August. She provided information on the CASA Election of Directors and the approval of the Dues Resolution. She noted that this year President Roesink is the CASA voting member.

Upon a motion duly made by Vice President Saldana, seconded by Director Omsted, and unanimously carried, the Board of Directors approved the CASA Election of Officers for Fiscal Year 2024/2025 and Approval of Dues Resolution for Calendar Year 2025 by the following vote:

Director	Vote
President Roesink	Yes
Vice President Saldana	Yes
Director Omsted	Yes
Director Pacilio	Yes
Director Sullivan	Yes

Partners (RTP) via videoconference

3. Public Comment

No public comment was received.

4. Discussion of Fall 2024 Newsletter Proposed Article Topics and Production Schedule.

5.

Mr. Bloom of Rising Tide Partners (RTP) presented the subject item and provided a brief summary of the proposed newsletter article topics. The CAC discussed the various article topics. Chairperson Saldana noted that he had suggested a topic relating to a collaboration between Carlsbad and local water agencies. He added that the agreement had not been approved by Carlsbad yet, therefore, it should be pulled from this newsletter. Staff agreed to do so.

Mr. Bloom then reviewed the production schedule.

Following discussion, the CAC authorized staff and RTP to proceed with the newsletter articles under the proposed production schedule.

6. Information Items

None.

7. Directors' Comments

Director Omsted noted that in the construction zone on Grandview Street in Encinitas he had smelled odors and asked if the District had pipelines in that area. Staff responded that the District maintains sewer lines on Grandview Street but had not received any odor complaints. Staff added that Encinitas does have storm drains in the area and that could also be a potential source of odors.

8. General Manager's Comments

None.

9. Adjournment Chairperson Saldana adjourned the meeting at 9:43 a.m.

4. San Marcos Creek Crossing Diversion Project – Award of Construction Contract and Authorize an Additional Appropriation

Recommendation 1: Authorize the General Manager to execute an Agreement with Palm Engineering Construction Company, Inc. for construction services to complete the San Marcos Creek Crossing Diversion Project in an amount not to exceed \$1,124,000.

Recommendation 2: Authorize an additional appropriation of \$150K for project construction.

PC Riffel presented this item to the EC.

Director Pacilio asked for clarification about the \$150K additional appropriation. PC Riffel answered that the FY25 Capital Budget included \$1.025M for project construction, however, due to Palm Engineering Construction Company, Inc.'s (Palm's) bid and Water Works Engineers' (Water Work's) refined final design cost estimates, staff is requesting an additional \$150K to cover project construction and a 5% contingency.

Chairperson Omsted asked what account the additional \$150K will be pulled from. DFA Green answered from the District's capital reserve account.

PC Riffel continued to provide background information and said that in January 2024 the emergency repair work was completed at the San Marcos Creek pipeline crossing at the Omni La Costa south golf course. PC Riffel stated that during this time, staff and the Board discussed expediting a permanent repair and in March 2024, the Board authorized a \$200K Capital Budget transfer in order to start design immediately.

PC Riffel stated that in June 2024, Water Works completed project design and staff advertised the project for bids. PC Riffel continued that the estimated construction cost was \$1.046M. PC Riffel stated that the District received two (2) bids by the July 23rd deadline and Palm had the lowest bid of \$1,124,000. He said that Palm's bid was \$78K more than the cost estimate.

PC Riffel reviewed actions staff took to ensure the bid was competitive. Based on this analysis, staff is recommending that the bid be awarded to Palm.

Following discussion, the EC concurred with staff to recommend that that Board of Directors authorize the General Manager to award the contract for the San Marcos Creek Crossing Diversion Project construction to Palm in an amount not to exceed \$1,124,000 as the lowest responsive and responsible bidder and authorize an additional appropriation of \$150K for project construction.

July 2024 Board Disclosure of Reimbursements Report

RECOMMENDATION:

Staff requests that the Board of Directors:

1. Receive and file the Board Disclosure of Reimbursement Report for the month ending July 2024.

DISCUSSION:

Government Code Section §53065 stipulates that Special Districts must disclose reimbursements of \$100 or more on at least an annual basis. Leucadia Wastewater District (LWD) prepares the Disclosure Report every month in accordance with Resolution No. 2405 – The Integrated Travel Authorization and Expense Reimbursement Policy, which is above and beyond the requirements of Government Code Section §53065.

RESOLUTION NO. 2419

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE LEUCADIA WASTEWATER DISTRICT ADOPTING THE FISCAL YEAR 2025 PAY SCHEDULE

Whereas, the employees of the Leucadia Wastewater District (LWD) are a valuable and important part of the LWD organization and have had the opportunity to participate in an informal input process with designated District representatives on wages, hours, and other terms and conditions of employment; and,

Whereas, the LWD Board of Directors authorized a classification adjustment for all positions, except the General Manager, on June 12, 2024 to be effective July 1, 2024; and,

Whereas, the LWD Board of Directors authorized a 5% salary adjustment for the LWD General Manager, adjusting compensation from \$281,437.94 to \$295,509.84 effective July 10, 2024; and,

Whereas, the LWD Board of Directors desires to establish, adopt and publish the FY 2025 Pay Schedule for all LWD employees including the General Manager in accordance with CalPERS requirements and by California Code of Regulations (CCR) §570.5(a).

NOW, THEREFORE, it is resolved as follows:

- 1. The LWD Board of Directors hereby adopts the LWD Fiscal Year 2025 Pay Schedule attached hereto as Attachment "1" and directs that it be posted and maintained in accordance with CalPERS requirements and CCR §570.5(a).
- 2. This Resolution supersedes Resolution No. 2406.

SUBJECT:

Construction Contract Award for the District's San Marcos Creek Crossing

Diversion Project

RECOMMENDATION:

Staff and the Engineering Committee (EC) recommend that the Board of Directors:

- Authorize the General Manager to execute an Agreement with Palm Engineering Construction Company, Inc. for the construction of the San Marcos Creek Crossing Diversion Project in an amount not to exceed \$1,124,000 as the lowest responsive and responsible bidder.
- 2. Authorize an additional appropriation of \$150K for project construction.
- 3. Discuss and take other action as appropriate.

BACKGROUND:

Tactical Goal: Infrastructure & Technology / San Marcos Creek Diversion Project

This item was reviewed by the EC at their August 5th meeting and the EC concurred with staff to present this item for the Board's consideration.

In January 2024, the District completed an emergency repair for the San Marcos Creek pipeline crossing on the eastern edge of the Omni La Costa south golf course. During the emergency repair, staff and the Board discussed the need to expedite a project that would permanently divert flow away from the pipeline in the creek prior to the next rainy season. As a result, in March 2024, the Board authorized a Capital Budget transfer of \$200K in order to execute an agreement with Water Works Engineers (Water Works) for final design services for the project.

DISCUSSION:

Water Works completed the expedited project design in June 2024. The project was advertised for bids on June 17, 2024. Bids were due on July 23, 2024. Two (2) bids were received as follows:

Construction Firm	Bid Price
Palm Engineering Construction Company, Inc.	\$1,124,000
SCW Contracting Company	\$1,479,310

Palm Engineering Construction Company, Inc.'s (Palm Construction') bid of \$1,124,000 is \$78K, or 7.5%, more than the engineer's opinion of probable cost of \$1,046,000.

Due to the limited competition, staff inquired why only two bids were received. Therefore, staff reached out to (2) construction firms, Maxim Construction Company, Inc. (Maxim) and Bali Construction (Bali), that were on the plan holders list but did not submit a bid. The District discovered Maxim did not submit a bid because of current project commitments as they were recently awarded two larger projects. The District called Bali and left a voicemail, but Bali did not return the District's phone call. Additionally, staff reached out to Burtech Pipeline, who has completed multiple open trench construction projects for the District. Unfortunately, Burtech informed the District there was a miscommunication and they were unaware of the project.

The bids were reviewed by Tim Lewis at Water Works. As a result of their evaluation, Water Works determined Palm Construction to be responsive to the bid requirements and recommended that Palm Construction be awarded the contract as the lowest responsive and responsible bidder. The Water Works bid review memorandum is attached for your review.

Therefore, staff and the EC concur with Water Work's recommendation and request that the Board of Directors award the contract to Palm Engineering Construction Company, Inc. as the lowest responsive and responsible bidder in an amount not to exceed \$1,124,000.

FISCAL IMPACT:

The FY25 Capital Budget included \$1.025M for project construction. Therefore, Staff and the EC request an additional appropriation to the FY25 Capital Budget of \$150K to cover the remaining cost for construction and a 5% contingency.

Leucadia Wastewater District San Marcos Creek Crossing Diversion Project Bid Review Memorandum

Date:

July 25, 2024

Prepared by: Tim Lev

Tim Lewis, PE (Design Engineer)

Purpose

The purpose of this memorandum is to summarize Water Works Engineer's (Design Engineer) evaluation of the bid results and the responsiveness of the apparent low bidder to bidding and contract documents for the Leucadia Wastewater District (District) San Marcos Creek Crossing Diversion Project.

Bid Results

Two (2) Bids were received and opened on July 23rd, 2024. The Bids are summarized below, along with the Engineer's Opinion of Probable Construction Cost (OPCC). See the last section of this memorandum for discussion on the difference between the Engineer's OPCC and the Low Bid.

Apparent Low Bid: (Palm Engineering Construction Company, Inc.) \$1,124,000

Second Low Bid: (SCW Contracting Corporation) \$1,479,310

Engineer's Opinion of Probable Construction Cost (OPCC): \$1,046,000

Review of Apparent Low Bidder

Water Works Engineer's reviewed the bidding documents submitted by the Low Apparent Bidder to determine if the Bidder is the lowest responsive responsible bidder.

- 12. The bidder was required to complete a minimum of two (2) projects where the contractor replaced a minimum of 500 linear feet of 8" or greater diameter gravity sewer main that was over 10 feet deep: Yes

- 13. The bidder was required to complete a minimum of two (2) projects where the contractor conducted open cut trench excavation into hard rock and boulder conditions: Yes.
- 14. The bidder was required to complete a minimum of two (2) projects where the contractor was required to bypass 100% of the existing wastewater flow in order to complete project with no incidents of spills: Yes.

Experience References (Responsive)

Water Works Engineers contacted all the qualification experience references on 7/24/24 listed on the contract forms and takes no exception to any of the responses received and considers the Bidder responsive.

Jose A. Lizarraga (858-627-2033) – City of San Diego

Projects:

1. AC Water and Sewer Group 1036

Comments:

1. In general, recommends them. Diligent with the work and didn't have too many troubles other than some best management practice reminders.

Keith Murduck (858-301-1466) - County of San Diego

Projects:

1. Industry Road Sewer at Ha-Hana Road

Comments from Reference:

1. No answer, could not leave a voicemail

Ricardo Soto (760-788-2260) - Ramona Municipal Water District

Projects:

1. B St, H St, 5th, 11th & 12th Streets Waterline Replacement Project

Comments from Reference:

1. Did a really great job and they were responsible and responsive. Had no issues with them. They recommend.

Approach to Work (Responsive)

In general, the Bidders Work Approach is relatively short and does not have many details, but Water Works Engineers takes no exception to it and considers it reasonable.

Safety and Injury Prevention Plan (Responsive)

The Bidder indicated that it has adopted an injury prevention program. The Bidder is responsive.

Project Manager Information (Omitted)

Both the Low Bidder and High Bidder did not submit Project Manager experience as by IFB-9, but it is Water Works opinion that this is an unintentional omission and is not a disqualifying factor. It is recommended that the District request project manager supplementary information from the Bidder as required by IFB-9. There have been similar occurrences on past projects. The likely justification for this is that the project manager experience is not listed on the on the bidder experience data forms and the Bidders were either unaware or were confused and

believed it was supplemental information to be submitted after the bid. For future projects, it is recommended that the District reexamine whether the bid forms should include a project manager experience section.

Review of Low Bid versus Engineer OPCC

The Low Bid is \$78,000 higher (7%) than the Engineer's OPCC (estimate). It is Water Works opinion this is attributed to a constrained and fast-paced schedule requirement and general project access constraints due to working within the HOA area.

In addition, Water Works examined the bid items for the low bidder and did not identify anything of note. Water Works Engineers takes no exception to the bid cost breakdown. The Bidder did not appear to have any significant pricing deviation that may indicate the Bidder is front-loading or has manipulated the magnitude of a particular bid item in such a way that is not industry standard or indicates the Bidder did not understand the scope of work delineated in the bid item.

Final Opinion

Water Works takes no exception to and considers Palm Engineering Construction Company, Inc. to be the lowest responsive and responsible bidder, as required by the Bidding and Contract Documents. The submitted Low Bid appears to be reasonable.

MEMORANDUM

DATE:

August 8, 2024

TO:

Board of Directors

FROM:

Paul J. Bushee, General Manager

SUBJECT:

Conflict of Interest Code

RECOMMENDATION:

Staff recommends that the Board of Directors:

 Adopt Resolution No. 2418 updating Leucadia Wastewater District's Conflict of Interest Code.

2. Discuss and take other action, as appropriate.

DISCUSSION:

On September 13, 1995, Leucadia Wastewater District approved Resolution No. 2027 adopting the Fair Political Practices Commission's Standard Model Conflict of Interest Code. Since then, the Board has periodically updated the Code as required. The District last amended the Code and Appendix A on August 17, 2022 when the Board adopted Resolution No. 2377.

The Leucadia Wastewater District (LWD) is required by California Code to biennially review its Conflict of Interest Code (COIC). Following review of the COIC, staff is recommending the following changes:

 Updating Designated Positions Under Appendix A – change the title of Field Services Specialist to Project Coordinator to reflect the current title for this position.

Resolution No. 2418 is attached for the Board's review. If approved, Resolution No. 2418 will rescind all previously adopted resolutions approving LWD's Conflict of Interest Codes. LWD General Counsel has reviewed proposed Resolution No. 2418.

Staff therefore recommends that the Board of Directors adopt Resolution No. 2418 updating LWD's Conflict of Interest Code.

CONFLICT OF INTEREST CODE OF THE LEUCADIA WASTEWATER DISTRICT

Ref: 25-8816

The Political Reform Act of 1974 (Government Code Section 81000, et seq.) requires each state and local government agency to adopt and promulgate a conflict of interest code. The Fair Political Practices Commission (FPPC) has adopted a regulation, California Code of Regulations, Title 2, Division 6, Section 18730 (hereinafter "CCR 18730"), which contains the terms of a standard conflict of interest code. It can be incorporated by reference as an agency's code. After public notice and hearing, the regulation may be amended by the FPPC to conform to amendments in the Political Reform Act.

Therefore, the terms of Title 2, Division 6 of the California Code of Regulations Section 18730 and any future amendments to it duly adopted by the FPPC are hereby adopted and incorporated herein by reference. This regulation and the Appendix attached hereto designating officials and employees and establishing disclosure categories shall constitute the Conflict of Interest Code of the Leucadia Wastewater District.

Pursuant to Section 4 of the standard code, individuals holding designated positions shall file their statements of economic interests with the Leucadia Wastewater District, which will make the statements available for public inspection and reproduction (Gov. Code Sec 81008). All statements will be retained by the Leucadia Wastewater District for a period of seven (7) years.

Adopted by the Board of Directors of the Leucadia Wastewater District on the 14th day of August 2024.
